**Issue Filing Layout**

This first layout is intended to be fed with all the information concerning an issue. This is the Data Entry Layout.

The layout is divided into 6 pages

**Page 1:**
1- Background Information of the Issue submission

- Working Group Name: A drop-down list is set with a value list which is predefined but can be modified. *(See section 3).*

- Submitter Name and Contact Details

- Submitter Type which can be a private company, a State, an NGO or an International Agency representative – those types have to be specified in the appropriate fields.

- The number of the Issue is generated automatically

- Economic Sector of the Issue

- The Submission Date of the Issue

- The current status of the issue which is specified into: - current agenda; solved positively (= in line with recommendation of the PS); solved negatively (government say no to it); is outdated (circumstanced have changed); on hold (the government refuses, or doesn’t have an answer or larger framework needs to be put in place before solving this issue) and has been reformulated

- If the issue was solved, the date of it.

2- Issue Details

- Reform Title

- Reform Type

- Issue Summary

**Page 2:**
Economic Cost and problems of the current situation: here a description of the problems of the current situation has to be given

**Page 3:**
1- Proposed Recommendations:
Here describe the proposed recommendations
2- Potential Impact of the proposed recommendations
Try to assess the potential savings and cost of the proposed recommendations

Page 4
Action Plans: give specifically the action plan by giving law names and numbers that have changed or that are subject to change. Specify for each action plan, the jurisdictions that have been resorted to.

Page 5:
Reform Process and indicators:
- Select one of the options concerning the progress of the issue in the Reform Process.
- Check the boxes for the WB Indicators
Three types of World Bank indicators have been set up: Doing Business; Enterprise Survey Topics; Business Enabling Environment products.
Select on each box to what extent the issue which is raised and tackled by this working group is in line with each type of indicators.
